Tips on how to keep your money safe.

There are some simple ways you can help to protect your account details and prevent fraud:

- Never use an ATM or EFTPOS machine that appears to have been tampered with around the card entry slot,
- Always cover the keypad to protect your PIN,
- Never disclose your PIN to any other person, including Bank staff,
- Please report any suspicious activity at or around ATMs to the Police or the Bank,
- Do not reply to emails that request your account information or that contain links.

If you have any suspicions about activity on your account, please contact us on **13 2221**, or visit your nearest branch.

Tips on how to keep your money safe.

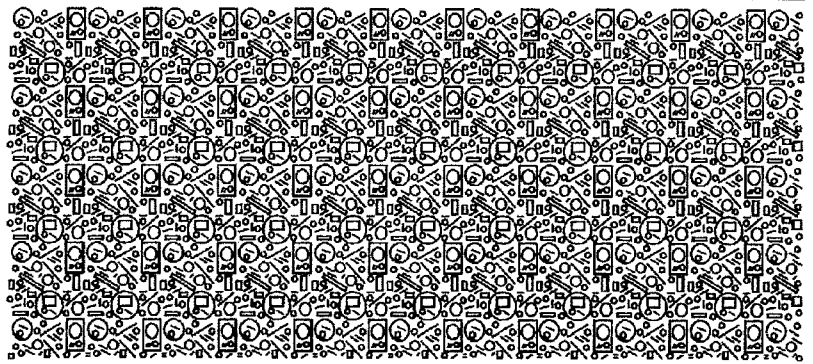

There are some simple ways you can help to protect your account details and prevent fraud:

- Never use an ATM or EFTPOS machine that appears to have been tampered with around the card entry slot,
- Always cover the keypad to protect your PIN,
- Never disclose your PIN to any other person, including Bank staff,
- Please report any suspicious activity at or around ATMs to the Police or the Bank,
- Do not reply to emails that request your account information or that contain links.

If you have any suspicions about activity on your account, please contact us on **13 2221**, or visit your nearest branch.
