Dear Kathy

STRICTLY PRIVATE AND CONFIDENTIAL

RE: Complaint – Tuesday 1st May 2012

I write to you regarding a complaint made to me by a staff member of the Sydney Office relating to events that occurred in the Sydney Office on Tuesday 1st May 2012. It is alleged that you took photos of 3 staff members in the lunch whilst they were having their lunch without seeking their permission for advising them of your actions. One of the staff concerned has complained to me that this incident has left her upset and irate and she feels that it was an invasion of her privacy. I am further advised that on this day you were walking around staff areas taking photographs and making staff feel unnecessarily uneasy.

Can you please respond to me in writing regarding this incident and the alleged comments as a matter of priority within 7 days.

Yours faithfully

Peter Mylan
Acting General Secretary
