Dear Mr Wicks,

Heath Services Union Hearings – 25 to 29 August 2014

Thank you for providing to the Commission your statement of evidence and the enclosed material.

The Commission has reviewed your statement of evidence and the material provided.

We note that you have not applied to the Commission to cross-examine Ms Katrina Hart or Ms Katherine Jackson, however, we appreciate the particular relevance of your evidence to paragraphs 215 to 224 of Ms Hart's evidence relating to the publication of her home address on your website and to paragraphs 345 and 346 of Ms Jackson's evidence.

The material you have provided to the Commission largely comprises documentation and submissions. In view of the tight timetable within which the Commission is conducting its inquiries and preparing its report, the Commission does not propose to call you as a witness at its further hearing into the Health Services Union commencing 25 August 2014. However, the Commission will consider your material as a submission in respect of its inquiries into the Health Services Union.

The Commission thanks you for your assistance.

Yours faithfully
