Dear

I'm writing to you today to introduce myself. I am the State Member for Smithfield and, as you may be aware, there was an adjustment to the State Electoral Boundaries.

As a result, the electorate has been expanded to take in parts of the Holroyd and Blacktown Local Government Areas. The State Electorate of Smithfield has also been renamed Prospect.

This means that your home will be included in the new electorate of Prospect. I have provided a map and list of all the suburbs now included in Prospect for your information.

I am excited to be representing you and I have already begun door knocking in your area so that I can hear what concerns your community's has firsthand.

You can contact me if you need help with any matter relating to the State Government, such as Health, Transport, Police, Community Services, Disability Services, and Education. Some matters may be outside the power of the State Government but will be referred to those who may be able to help.

I have enclosed a copy of my 'Have Your Say' survey so you can give feedback on how to make our local area even better. I would love to hear from you and have the opportunity to help in any way I can.

Again please do not hesitate to contact me should you have any concerns or queries about State Government matters, by phone on (02) 9756 4766 or email smithfield@parliament.nsw.gov.au.

Yours sincerely,

ANDREW ROHAN MP
