Dear Sir/Madam

Refuted Article on Wixxyleaks Website

We act for Jodie Knox and the Australian Association of Pet Dog Breeders (AAPDP) of which Ms Knox is the President.

We are instructed that an article entitled "*Bad To The Bone – Puppy factory lobbyist's integrity under a very dark cloud*" was posted on Wixxyleaks website on 5 August 2015 which names and contains assertions about Ms Knox and the AAPDB.

The contentions and assertions made in the article are strongly refuted by Ms Knox who regards them as misleading and baseless. They are regarded as damaging to both Ms Knox and the AAPDB.

We request that you remove the article from your website immediately and by no later than by close of business on 11 August 2015.

In the event that the article is not removed within the timeframe specified, we will seek further instructions from our client.

We trust you will address Ms Knox's concerns and act upon this request as a matter of urgency.

Yours faithfully
